

Patrick M. Briley
PhD, CCC-SLP

Office Address: Department of Communication Sciences & Disorders Woods Drive
College of Allied Health Sciences
3310 AC Allied Health Sciences, Mail Stop 668
Greenville, NC 27834

Phone: (252) 916-0021
Fax: (252) 744-6109
Email: brileypa@ecu.edu

Education:

2015-2019

PhD, Department of Communication Sciences and Disorders, East Carolina University

2002-2005

MS, Department of Communication Sciences and Disorders, East Carolina University

1998-2002

BS, Department of Parks, Recreation and Tourism Management, North Carolina State University

Certification and Licensure:

Certificate of Clinical Competency #12104172, 2005-Present

North Carolina License, Speech-Language Pathology, #7287, 2005-Present

Briley, P. M., Barnes, M. P., & Kalinowski, J. S. (April, 2016). Carry-over fluency induced by extreme prolongations: A new behavioral paradigm. Poster presentation at the North Carolina Speech Hearing and Language Association Convention (NCSHLA), Raleigh, NC.

Briley, P. M., Prosser, K., & Kalinowski, J. S. (April, 2016). A comparison of reactions to children who stutter – male/female parents vs. male/female nonparents. Poster presentation at the North Carolina Speech Hearing and Language Association Convention (NCSHLA), Raleigh, NC.

Teaching Experience:

2015-Present

East Carolina University, Greenville, NC; Department of Communication Sciences and Disorders

Instructor – Stuttering and Other Fluency Disorders (CSDI 6106)

Instructor – Speech Science (CSDI 6121)

Instructor – Speech Science (CSDI 3045)

Instructor – Professional Issues (CSDI 8150)

Instructor – Research Design in Speech and Hearing (CSDI 6103)

Teaching Assistant – Speech Science (CSDI 6121)

Teaching Assistant – Stuttering and Other Fluency Disorders (CSDI 6106)

2021 (Spring Semester)

Stony Brook University, Stony Brook, NY; Speech Language Pathology Department
Adjunct Instructor – Research Methods & Resources in Communication Sciences and
Disorders (HHS 551)

Guest Lectures:

Briley, P. M. (February, 2022). Stuttering: Defined and Considerations for Evaluation and Treatment. Guest lecturer in Introduction to Communication Disorders, East Carolina University, Greenville, NC.

Briley, P. M. (September, 2021). An Overview of Stuttering. Guest lecturer in Introduction to Communication Disorders, East Carolina University, Greenville, NC.

Briley, P. M. (June, 2021). Balancing Your Workload. Guest lecturer in Doctoral Colloquium, East Carolina University, Greenville, NC.

Briley, P. M. (September, 2020). An Overview of Stuttering. Guest lecturer in Introduction to Communication Disorders, East Carolina University, Greenville, NC.

Briley, P. M. (February, 2020). Considerations for Educators Regarding Impacted Well-Being in Children Who Stutter. Guest lecturer in Introduction to Special Education, East Carolina University, Greenville, NC.

Briley, P. M. (September, 2019). An Overview of Stuttering. Guest lecturer in Introduction to Communication Disorders, East Carolina University, Greenville, NC.

Briley, P. M. (March, 2019). Speech Production Models. Guest lecturer in Speech Science, East Carolina University, Greenville, NC.

Briley, P. M. (September, 2018). An Overview of Stuttering. Guest lecturer in Introduction to Communication Disorders, East Carolina University, Greenville, NC.

Briley, P. M. (March, 2018). Speech Production Models. Guest lecturer in Speech Science, East Carolina University, Greenville, NC.

Briley, P. M. (February, 2018). An Overview of Stuttering. Guest lecturer in Introduction to Communication Disorders, East Carolina University, Greenville, NC.

Briley, P. M. (September, 2017). An Overview of Stuttering. Guest lecturer in Introduction to Communication Disorders, East Carolina University, Greenville, NC.

Briley, P. M. (April, 2017). Current Research in Stuttering and Implications for Therapy. Guest lecturer in Speech Science, East Carolina University, Greenville, NC.

Briley, P. M. (February, 2017). The Experience of Stuttering. Guest lecturer in Introduction to Communication Disorders, East Carolina University, Greenville, NC.

Briley, P. M. (September, 2016). An Overview of Stuttering. Guest lecturer in Introduction to Communication Disorders, East Carolina University, Greenville, NC.

Briley, P. M. (June, 2016). Reliability, Validity, Significance, Power, and Effect Size. Guest lecturer in Research Design, East Carolina University, Greenville, NC.

Briley, P. M. (February, 2016). An Overview of Stuttering. Guest lecturer in Introduction to Communication Disorders, East Carolina University, Greenville, NC.

Briley, P. M. (October, 2014). An Overview of Stuttering and its Treatment. Guest lecturer in Stuttering and Other Fluency Disorders, East Carolina University, Greenville, NC.

Briley, P. M. (October, 2013). An Overview of Stuttering and its Treatment. Guest lecturer in Stuttering and Other Fluency Disorders, East Carolina University, Greenville, NC.

Briley, P. M. (November, 2012). Stuttering. Guest lecturer in Introduction to Communication Disorders, East Carolina University, Greenville, NC.

Briley, P. M. (November, 2012). Stuttering and Therapy. Guest lecturer in Stuttering and Other Fluency Disorders, East Carolina University, Greenville, NC.

Briley, P. M. (October, 2011). Identifying and Treating People Who Stutter. Guest lecturer in Stuttering and Other Fluency Disorders, Greenville, NC.

Clinical Experience:

2009-Present

East Carolina University, Speech and Hearing Clinic; Clinical Supervisor

- Train and supervise graduate students in the on-campus clinic

- Conduct fluency evaluations and treatment

- Perform SpeechEasy evaluations and fittings

- Participate in clinical faculty meetings

2022-Present

Positive Responses to Stuttering Program (PRSP) at East Carolina University; Director

- Developer of this intensive stuttering program

- Train and supervise graduate students on how to provide treatment and monitor progress

2015-Present

Fluency Management Program of the Carolinas (FMPC) at East Carolina University; Director

- Developer of this intensive fluency program

- Train and supervise graduate students on how to provide treatment and monitor progress

2005-2015

CareWorks, Inc., Greenville, NC; Speech-Language Pathologist
Conducted evaluations, treatment, and ancillary meetings
Trained and supervised off-site graduate students

2011-2015

CareWorks, Inc., Greenville, NC; Speech-Language Pathologist
Supervised Speech-Language Pathologist Assistants

Professional Memberships:

American Speech-Language-Hearing Association, (ASHA) 2005-Present

American Speech-Language-Hearing Association, (ASHA) 2016-Present
Special Interest Division 4: Fluency and Fluency Disorders

Awards and Honors:

North Carolina Biotechnology Center Flash Grant (2022). Monetary award to fund research.
(Amount awarded: \$4,980)

East Carolina University's Research and Creative Activity Award (2020). Monetary award to fund research.
(Amount awarded: \$2,049.80)

American Speech-Language-Hearing Association Convention Student Research Travel Award. August, 2019. Monetary award for the highest-rated, student-authored paper in its Convention topic area.
(Amount awarded: \$500)

Outstanding Doctoral Student Award (2019). East Carolina University. Department of Communication Sciences and Disorders.

Department of Communication Sciences and Disorders Student Research Grant. April, 2019. East Carolina University; Monetary award to cultivate research engagement.
(Amount awarded: \$1050)

College of Allied Health Travel Award. November, 2018. East Carolina University; Monetary award for travel to present research at the American Speech-Language-Hearing Association Convention.
(Amount awarded: \$250)

Department of Communication Sciences and Disorders Student Travel Award. November, 2018. East Carolina University; Monetary award for travel to present research at the American Speech-Language-Hearing Association Convention.

(Amount awarded: \$250)

College of Allied Health Travel Award. November, 2017.

East Carolina University; Monetary award for travel to present research at the American Speech-Language-Hearing Association Convention.

(Amount awarded: \$250)

Department of Communication Sciences and Disorders Student Travel Award. November, 2017. East Carolina University; Monetary award for travel to present research at the American Speech-Language-Hearing Association Convention.

(Amount awarded: \$250)

College of Allied Health Sciences Research Day. Best Poster for School-based (2017). This award is given to the student with the most outstanding poster presentation in the respective category on CAHS Research Day, East Carolina University.

The Honor Society of Phi Kappa Phi (2017). Invitation to this society is extended to the top 10 percent of seniors and graduate students at their respective campuses.

College of Allied Health Travel Award. November, 2016.

East Carolina University; Monetary award for travel to present research at the American Speech-Language-Hearing Association Convention.

(Amount awarded: \$250)

Department of Communication Sciences and Disorders Student Travel Award. November, 2016. East Carolina University; Monetary award for travel to present research at the American Speech-Language-Hearing Association Convention.

(Amount awarded: \$250)

Communication Sciences and Disorders Research Day. Top Oral Presentation (2016). This award is given to the student with the most outstanding oral presentation on CSDI Research Day, East Carolina University.

The Bremer Award for Clinical Effectiveness. East Carolina University. (2004-2005). This award is given to the student whose clinical efforts have made a significant difference in the life of a client.
